

# **Sprint 2 Review**

ENIGMA  
2016-11-04

## **Actions to stop doing:**

- Tardiness
- Getting distracted from the task at hand
- Stop missing stand up meetings

## **Actions to start doing:**

- Stay on target, get the job done
- Better use of scrum board/burnup chart
- More in-person design and collaboration
- Plan to attend stand up meetings

## **Actions to keep doing:**

- Keep pushing to github
- Researching the technologies
- Discussion of features
- Completion of TSRs

## **Work Completed:**

- As a user I want to be able to see which person sends what message.
- As a User, I would like to log out to a secure account
- As a user I would like to receive messages
- As a user I would like to be able to mark a message to be deleted after X seconds
- As a user I would like to be able to set a profile picture
- As a new user I would like to see a signup page when accessing the website

## **Work Not Completed:**

- As a developer I would like to integrate the public/private key system into the chat app

- As a user I would like to keep track of a list of contacts
- As a user I would like to look up and add other users to chat with.
- As a user I would like to know when my sent messages have been received

### Work Completion Rate:

Total number of ideal work hours completed: 40 hours

Total number of days in sprint: 16 days
