Sprint 1 Review

ENIGMA

2016-10-19

Actions to stop doing:
- Tardiness
- Getting distracted from the task at hand
- Whatsapp tutorials

Actions to start doing:
- Formalize Standup times, they've been too sporadic
- Communicate better on slack
- Better use of scrum board/burnup chart
- More in-person design and collaboration
- Share research

Actions to keep doing:
- Keep pushing to github
- Researching the technologies
- Discussion of features

Work Completed:

- As a User, I want to be able to send messages
- As a User, I would like to log in to a secure account
- As a User, I would like to have a history of messages I've sent and received
- As a User, I would like to be able to see a list of conversations
- As a User, I would like to have a public/private key system to keep messages secure

Work Not Completed:
- As a User, I want to be able to receive messages
- As a User, I would like to keep track of a list of contacts

Work Completion Rate:

Total number of ideal work hours completed: 50 hours
Total number of days in sprint: 16 days

User stories completed per day: approximately 0.3125
Work hours per day: 3.125 hours

Burnup Chart
